ORDER

By the Commission:

On May 2, 2011, DPL Energy Resources, Inc., (hereinafter "Petitioner"), filed a verified petition seeking consent and approval to surrender its Certificate of Service Authority as an Alternative Retail Energy Supplier ("ARES"), under Section 16-115 of the Public Utilities Act, 220 ILCS 511-101 et seq, and 83 Ill. Adm. Code 451 within the State of Illinois.

On February 10, 2010 in Docket No. 09-0618, Petitioner was granted authority by the Illinois Commerce Commission ("Commission") to operate as an ARES in the Commonwealth Edison Company, AmerenIP, AmerenCILCO, AmerenCIPS, MidAmerican Energy Company, and Mt. Carmel Public Utility Company service territories. Petitioner was authorized to offer service to all eligible residential and nonresidential customers.

Petitioner reports that effective March 1, 2011, Petitioner purchased MC Squared Energy Services, LLC ("MC Squared"), which is an ARES authorized to offer service in Illinois. Applicant indicates that it currently has no customers in Illinois and due to the purchase of MC Squared, Petitioner no longer has any intention of serving any customers in Illinois. Petitioner also states that on April 6, 2011, in its report of kilowatt-hours sold for 2010, which is a part of its annual compliance report, Petitioner had no sales for calendar year 2010.

Petitioner, therefore, requests cancellation of its certificate of Certificate of Service Authority to operate as an ARES in Illinois.

The Commission, having considered the Petition, is of the opinion and finds that:

- (1) the Commission has jurisdiction over DPL Energy Resources, Inc., and the subject matter herein;
- (2) the recitals of facts in this Order are supported by the record and are hereby adopted as findings of fact.

- (3) On February 10, 2010, DPL Energy Resources, Inc. was granted a Certificate of Service Authority to operate as an Alternative Retail Energy Supplier in Docket No. 09-0618; and
- (4) the request of DPL Energy Resources, Inc. to voluntarily surrender its Certificate of Service Authority and to have such Certificate of Service Authority cancelled should be granted.

IT IS THEREFORE ORDERED by the Illinois Commerce Commission that the Petition filed on May 2, 2011 by DPL Energy Resources, Inc., seeking to voluntarily surrender, and for the Commission to cancel, its Certificate of Service Authority to operate as an Alternative Retail Energy Supplier under Section 16-115 of the Public Utilities Act is hereby granted.

IT IS FURTHER ORDERED that subject to the provisions of Section 10-113 of the Public Utilities Act and 83 Ill. Admin. Code 200.880, this Order is final; it is not subject to Administrative Review Law.

By Order of the Commission this 7th day of July, 2011.
